

samiches

52nd street eastsider

this is chip's favorite samich, one he made 46 years ago on a trip back home. slow roasted prime rib, provolone cheese red onion and tomato, grilled on rye with mayo. awesome. 11

prime rib samich

folks, this is the all-american samich! shaved, slow cooked prime rib, grilled, blackened or open faced with gravy. served with fries.12

redland steak & cheese sub

we call it like we make it-a really good steak and cheese sub. we grill chopped steak on a hot flat top, smother it with grilled onions, and top it with tomatoes, lettuce, American and provolone with mayo on the roll. served with fries.11

steak, egg, fries & slaw

a new addition from the south side of derwood. slaw, fries, grilled chopped steak and a fried egg on a sub. served with our fabulous, hand cut onion rings.12

classic reuben

arnold reuben made this classic for a down and out show girl in New York City in 1914 when he piled corned beef, sauerkraut, swiss and 1000 island dressing on rye and grilled it closed faced. whatta guy! served with fries.11

buffalo chicken

our breaded chicken breast, drenched in buffalo sauce, topped with lettuce, tomato and onion. choose any combination of toppings .75 ea: bacon, cheddar, jalapenos, ham, mushrooms, peppers, provolone, salsa or swiss.10

grilled chicken

when you're looking for something that isn't a salad, have a grilled chicken breast, topped with lettuce, tomato and onion. choose any combination of toppings .75 ea: bacon, bbq sauce, cheddar, jalapenos, ham, mushrooms, peppers, provolone, salsa or swiss. 10

triple decker ham and turkey club

if we've got too many choices and you can't decide, this is as American as apple pie! sliced ham, roast turkey, bacon, lettuce, tomato and mayo on your choice of wheat, white or rye. served with chips 10

fabulous flounder

28 years and still a cafe favorite! flaky white flounder fried in a golden brown tempura batter and flopped on a fresh kaiser roll, with tartar sauce and slaw on the side.9

big rick's blt

rick didn't invent the blt, but he's helped us perfect it. the American classic with your choice of white, wheat or rye bread, loaded with bacon, lettuce, tomato and mayo.9

samiches served with sides as noted above.
some substitutions cost a little more. :)

great burgers

the outta the way has great burgers that really are world famous. go ahead and google <cheeseburger logic>. haha. you'll see. there's a lot of chains that sell a lot of burgers these days and good for them. here we don't cut corners & we don't over think it. you'll get an American 3/4 pound burger that's grilled to order & served on a fresh roll. 11
ask your server for lettuce, tomato or sliced red onion.
add ons: american, swiss, provolone or cheddar cheese, bacon, ham, mushrooms, jalapenos, bleu cheese dressing, grilled onions or peppers .75 ea.
(remember: if you're with a group make sure you have time. we don't pre-cook anything and well done burgers take 15 minutes. thanks.)
