

## salads

at the outta the way<sup>o</sup> our salads aren't small. lol, i know, the understatement of the year. haha. at the cafe our salads are fresh and 'ample' and really good enough to make a meal.

### steak salad

we love steak. that's why we put this mid town magic right on top of the list. marvelously marinated steak, sauteed in worcestershire; tossed with bacon, fries and red onions over fresh greens.15

### taco or chicken taco salad

the taco salad was the creation of a cowboy in texas who decided to eat 'healthy'. he took a taco shell, tomato beef chili, cheddar, tomatoes, jalapenos, added a fresh bed of greens and put 'em in a taco shell, with a dollop of sour cream & a side of cafe picante. ok, so cowboys don't really dollop, but this is great.12 chicken taco.15

### cobb salad

cobb salads rock. we add a little twist by putting ours in a taco shell, but this is the american classic: sliced ham & turkey, american & provolone, bacon, sliced boiled eggs, cucumbers and cherry tomatoes on crisp greens.13 with grilled chicken breast instead of ham & turkey, add 2

### shrimp or chicken tempura salad

you choose. hand battered shrimp or chicken tenders. crispy greens, tri-color peppers, cucumbers, tomatoes, monterey & cheddar cheeses compliment your choice.15

### grilled texarkana chicken salad

chip eats one every day. we serve our really good honey mustard dressing on the side of this grilled breast of chicken, cheddar cheese, cilantro, sliced tortillas, diced tomatoes, cheese & onions and crisp greens. 14

### duffy salad

duffy made this for himself in 1989 because he was hungry. how's that for a recommendation? lol. grilled bbq chicken breast, fresh greens, provolone, crumbled bacon, red onion, sliced cucumbers & cherry tomatoes. 13

### mardi gras salad

shuffle down bourbon street & help yourself to a festive jumble of cajun grilled chicken tenders, fresh greens, peppers, cucumbers, tomatoes, monterey and cheddar cheeses on greens. 13

### grilled hawaiian chicken salad

mahalo, bruddah! teriyaki grilled breast of chicken, fresh greens, pineapple, roasted almonds, sweet peppers, cucumbers and cherry tomatoes.14

### the caesar salad

was julius such a nice guy? probably not. don't know why they named a salad after him. maybe he was hungry after he crossed the rubicon. who knows, lol, but it's a good one, grilled or blackened with chicken or salmon. small 8. large 12. chicken add 3. salmon add 6.

## we cater to you
